Please play ready golf and keep up with the group ahead of you. If you are on the tee box and they are leaving or already off the green ahead, you are behind! Please catch up as soon as possible!

Desert Rule In Effect

If your ball comes to rest in the desert, you have the option of dropping out with a one-stroke penalty. You do not have to find your ball or even look for it. The desert rule was adopted to speed up play. Drop your ball within 2 club lengths from the point where your ball entered into the desert (no closer to the hole).

Note: You must be virtually certain that your ball did not go out of bounds or into a water hazard, otherwise you cannot use the Desert Rule and must proceed under the rules for out of bounds or water hazard penalties. Please make sure when using the desert rule you drop where the ball last crossed grass and went into the desert.
