Gary,

Here's the info on the hotel. Please let me know how many might stay at the Westin so I can let Jim know. We need this info as soon as possible.

Thanks,
Pat

We have got a contract with the Westin resort. We need a rough count for how many rooms we want to block. We are responsible for 80% of the rooms we block.
Rates are as follows.

Dates & Rates:

August 30-Sept. 2, 2012 \$139.00 king room (one bed)/per night/single double occupancy

 \$159.00 two queen beds/per night/single double occupancy

Occupancy tax: 10.065%

Business Assessment: 2%

Resort Charge: \$27.00 per room per night. Includes wireless and high speed internet in the guestroom and the main lobby, fitness center, day use of spa facilities: steam room, whirlpool, relax room, renewal refreshments and shower, self parking, daily newspaper, local phone calls (within the city of Rancho Mirage), access charge for credit cards & 800 number call up to sixty minutes. **Resort charge is WAIVED.**

I know the rates are a little more then in the past but this is what we could get.

If you could get a rough number of rooms to block it would be helpful. Of course everyone is free to make their own accommodations plans.
