

# SRPGA Web Report

Tom Barnett, January 10, 2008

1. I have been unable to work on the Web site from home from early September to this past weekend. All the work has been done before work, at lunchtime, and sometimes after work, during work, and special days—like New Year's Day at work when the 2008 overhaul was completed.
  - Note: My PC at home has the Vista operating system. Microsoft is discontinuing FrontPage which I've used to do the Web site for the past ten years. I have purchased Adobe Dreamweaver and will begin to use that for the Web site.
  - Renewals:  
Web site hosting account: Feb. 20, 2009  
Domain Name: Feb. 6, 2013
2. The **schedule** has been updated on the Web. Everyone should check their tournaments and report any discrepancies. Calendar files of the schedule are also posted on the home page: Bill's three-pager, my one-pager, and the "pocket" schedule.

<b>2008 Schedule:</b> 3-page ( <a href="#">PDF</a> , <a href="#">Word</a> ); 1-page ( <a href="#">PDF</a> , <a href="#">Word</a> ; directors will be added in January); Cards ( <a href="#">PDF</a> , <a href="#">Word</a> ) Note: Let us know if you find any inconsistencies. Thanks.				
2007 Schedule: 3-page ( <a href="#">PDF</a> , <a href="#">Word</a> ); 1-page ( <a href="#">PDF</a> , <a href="#">Word</a> ; updated 3/22/07) 2006 Schedule: 3-page ( <a href="#">PDF</a> , <a href="#">Word</a> ; updated 12/22); 1-page ( <a href="#">PDF</a> , <a href="#">Word</a> ; updated 1/27) 2005 Schedule: <a href="#">PDF</a> , <a href="#">Word</a>				
<b>2008 Date</b>	<b>Event</b>	<b>Sign-up Deadline</b>	<b>Directors</b>	<b>Flyers, Pairings, Results</b>
Jan 26 Sat	Aguila - <a href="#">course</a> 120 maximum 	Deadline: Jan 18	Meade Santucci	Flyer: <a href="#">PDF</a> , <a href="#">MS-HTML</a> , <a href="#">Word</a> Pairings: PDF, MS-HTML, Word/Excel Flights: PDF, MS-HTML, Word/Excel Skill Prizes: PDF, MS-HTML, Word/Excel Results: PDF, MS-HTML, Word/Excel

I'm looking at doing more photos for courses that are up next. Take photos at your tournaments and I'll post them somewhere on the Web and link to them.

3. Reminder: **Online forms** can be set up for any tournament rather quickly.
4. I've added new **viewer files** for Word and Excel. The link for the latest Acrobat Reader (PDF) is still good. These can be used to view the documents I post on the Web for people who do not have Word and Excel.

Get the latest version of Acrobat Reader at [Adobe](#).

Get Microsoft free converters and viewers: [Word 2003](#) , [2007](#); [Excel 2003](#), 2007. [Others: [Catdoc](#); [PCMag](#); [Table2HTML](#).]

Get Biblet's [WMDecode](#) (for those not using Microsoft Outlook as their e-mail client program--thanks, Harley)

  
Delivering More Than Power

5. **Course links, map links, course logos, course photos.** From the Course Guide link,

**SRPGA Course Guide**

, you will find links for all our courses we are playing this year. The top of this page has the list of courses on the page. Most of the courses found on the home page schedule have links to bookmarks on this page.
